

**REMARKS**

This paper is filed in response to the final office action mailed on March 2, 2005.

In the office action, claims 1-11 were rejected under 35 U.S.C. § 112, second paragraph as being indefinite for failing to particularly point out and distinctly claim the subject matter. Claims 12-16 were allowed.

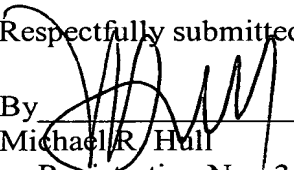

With this response, claims 1-11 have been amended to fix typographical and other such errors and to conform with the Patent Office's suggestions for overcoming the indefiniteness rejection. No new matter has been added with these amendments. Applicants submit that with these amendments to the claims, the indefinite rejection can properly be withdrawn.

In view of the above amendment, applicants believe the pending application is in condition for allowance and an early action so indicating is respectfully requested.

The Commissioner is authorized to charge any fee deficiency required by this paper, or credit any overpayment, to Deposit Account No. 13-2855.

Dated: April 25, 2005

Respectfully submitted,

By
